Certificate of conformity

for materials made of aluminium intended for food contact

We hereby declare that the product

Item No.: 7340083473180

Description: FIXA OVN-GRILLFOLIE

complies with the European Regulation (EG) No. 1935/2004, with Regulation (EC) No. 2023/2006 on good manufacturing practice for materials and articles intended to come into contact with food, with the Resolution CM/Res(2020)9 (2nd Edition 2024) of the Council of Europe for Metals and Alloys used in Food Contact Materials or Articles.

The Aluminium Alloy used in above-mentioned product complies with the European Standard DIN EN 573-3, DIN 602 and the FDA 21 CFR 178.3910.

The packaging of the product complies with PPWR Regulation (EU) 2025/40 Art.5.

Fluorinated organic substances (PFAS) are not intentionally added and comply with Regulation (DK) 681/2020 Danish Order on food contact materials.

Instructions for use and restrictions:

- Kinds of food intended to come into contact with the material:

  fruits, vegetables, all kinds of food (except the restrictions mentioned below)

- Kinds of food NOT intended to come into contact with the material:

  acidic or salted or alcaline food

- Instructions of use:

  Long term contact at room temperature or below

  High temperature use up to 350°C

The Traceability according to Regulation (EG) No. 1935/2004 is ensured.
